**Proposals:** title, abstract (500 words), 3 key-words and curriculum (200 words)

### **Goals**

The Portuguese Group for History and Sport (GHD) gathers researchers from several institutions, with the main goal of promoting cooperation, research and studies in the field of sport history. The GHD also organizes events for History and Sport at the national and international levels. Also organizes a congress, whose goal is the discussion and the production of knowledge in the various aspects of the intersection of history and sport. The theme for the 2018 congress is **Sport and Popular Culture**.

### **Topic**

The congress will be focus on Popular Culture and its intersection with Sport and History.

### **Thematic lines**

- Popular culture and sport: meanings and transgressions
- Sport and popular games
- The sportsman as *pop star*
- For a history of culture celebrities in sport
- Team sports and individuals in the contemporary cultural context
- Cultural representations and gender roles in sports professions
- Sport events and cultural movements
- Media, literature, painting, photography and video games
- Internet as space of popular representations of sport
